350 brave weather to hear debate

A verbal exchange about judicial appointments marked an otherwise rancorless debate Feb. 10 among candidates for the Democratic nomination for U.S. Rep. Mel Price's seat in the 21st Congressional District. Allied on most issues, no winner emerged. The primary is March 15.

Series to teach business savvy

A series of lectures aimed at helping.women fine tune their financial and management skills will begin Feb. 24 with the program "Women in Business" at the Granite City Campus of Belleville Area College. Speaker Mary Walsh will discuss "Self-motivation," "Winning Principles," "Why Some Women Fail" and "Getting Your Foot in the Door." Other programs will be conducted during March and April. For more information, call 876-6400.

Auditors to outline issues

In the Thursday Granite City Press-Record, the three candidates seeking the Democratic nomination for Madison County auditor, Fred Bathon, H. Jack Frandsen and Michael R. Myler, will give their qualifications for the seat currently held by Pete Fields. Fields is seeking the nomination for U.S. representative in the March 15 primary.

Tell it like it is

Do you think the results of the Iowa précinct caucuses indicate that U.S. Rep. Dick Gephardt will emerge as the Democratic frontrunner?

"No, I don't believe Gephardt will lead the party. The people know Paul Simon as a (candidate with a) program of honest government, jobs and freedom for all:"

Michael Hillmer

"Gephardt will win the nomination because of the impact of his 30-second television spots used to promote his candidacy. He is the most photogenic and uses it to his best advantage."

NEXT WEEK: What do you think about the proposal before Congress to grant men and women who work for companies who employ 50 or more a 10-week unpaid leave to care for newborns?

To record your answer, phone 452-0222 between 5:30 p.m. and 8 a.m. daily. Leave your name, address, hometown and phone number.

Quote of the week

"Have I put a good word in for applicants for associate judges — Yes. Do I control any one of the 11 circuit judges, that's absurd," said Jerry Costello, St. Clair County Board chairman and congressional candidate, when he was asked a question about the widely reported allegation that he is involved in selecting 20th Judicial District judges.
